Dear Mr. Odil:

On behalf of IESI TX Landfill LP, please find below a response to your comment that was included in your e-mail dated October 1, 2018. This response letter contains the item identified in your email (in bold) and our response below.

- 1. The landowner map provided in Attachment G is dated November 23, 2015 and no landowner list is included. Provide current landowner (including mineral interest ownership under the facility) list and map consistent with requirements of §330.59(c)(3).**

Response:

Attached is the landowner list that was prepared on July 20, 2018, for properties shown on the Land Ownership Map. The 2015 Map was verified to be accurate with the Rusk County Appraisal District records on July 20, 2018, and required no change. The list provides current landowners and is consistent with the requirements of §330.59(c)(3).

Also, please note as of July 20, 2018, the Rusk County Tax Appraisal District Records do not list mineral interest ownership in the real property records of the District.

Consistent with Title 30 TAC §305.70(f), one original and two copies of this submittal are provided for your use and distribution. A copy of this submittal was sent to the TCEQ Region 5 office in accordance
