# BENEFITS OF BEING A GREEN BUILDER

- Your material will be recycled, instead of being disposed of in the local landfill.
- Construction debris can be hauled to EcoSort and separated on site for recycling.
- Help assist with LEED project tracking.
- Recycling cannot only save you money, but is good for the community and environment.
- Recycling construction debris will assist with your company's green efforts and image.
- Please contact our office for rates on disposing of your construction debris material.
- We accept credit cards.
- NO HOUSEHOLD GARBAGE ACCEPTED

**RECYCLE! It's the right thing to do!**

**Hours: 7:30 a.m. to 4:00 p.m.  
Monday through Friday**

**3425 East 17th Avenue  
Eugene, OR 97403**
