

AB341 MANDATORY COMMERCIAL RECYCLING

As of July 1, 2012 California State law requires the following business to arrange for recycling services:

- Any business that generates 4 cubic yards or more of waste per week; and
- Multi-Family dwellings with five or more units. Note: California State law requires apartment owners to offer recycling services at resident(s) request. Apartment owners may require tenants to recycle.

Businesses and Multi-Family communities that meet the threshold must recycle at the place of work or jobsite. Please call us today to sign up for recycling services. Further assistance with compliance (including but not limited to, FREE desk-side recycling bins, while supplies last) is available by the Tehama County Sanitary Landfill Agency at **530.528.1103**.
