

## Waste Not Accepted at Transfer Stations

- Asbestos or materials containing asbestos (accepted at Hidden Valley and LRI Landfill only – must be double-bagged) (**See Asbestos Policy**)
- Automobile bodies or boat hulls over 25’
- Barrels, drums and other large liquid containers that contain liquids. Empty Barrels accepted if cleaned and cut in half.
- Biomedical waste, including sharps
- Ceiling tiles, vermiculite insulation and blown-in insulation (**See Asbestos Policy**).
- Chemicals or other materials which may create hazardous working conditions.
- Commercial loads of dry cell batteries.
- Contaminated soils (**WDA required**).
- Desktop computers, computer monitors, notebook computers, desktop printers, fax machines, televisions, audio & video system, non-cellular telephone & answering machines, home theatre (**can be recycled for a fee**)
- Dusty loads including sawdust, mill flour dust, lime dust, etc.\*
- Explosive substances
- Fabricated objects wider or thicker than 1.2m (4ft) and longer than 2.5m (8ft)
- Fluorescent light bulbs & tubes that can be recycled (**they can be dropped off at HHW**)
- Hazardous wastes (i.e. pathogenic and radioactive materials)
- Hazardous wastes as defined by the *Hazardous Waste Regulation of the Environmental Management Act*

- Heavy, solid objects\* (i.e. concrete, asphalt, engine blocks, transmissions, etc.)
- Inflammable materials
- Insulation that is not double-bagged.
- Liquid wastes and sludge type material (**WDA required**).
- Lumber, timber, logs, etc., longer than 2.5m (8ft).
- Materials hot enough to start combustion.
- Paints, solvents, flammable liquids, gasoline and pesticides.
- Smoke alarms, carbon monoxide (CO) alarms and combination smoke and CO alarms that perform detection and alarm sounding function.
- Spray foam insulation tanks or any product that is listed A and B products for adhesives.
- Solid objects larger in cross section than 3,500cm<sup>2</sup> (3.8ft<sup>2</sup>) if longer than 2.5m (8ft).
- Waste oil, petroleum by-products and used oil filters and oil containers that have not been drained of fluids.
