

Help us prevent fires caused by improperly discarded rechargeable batteries.

County Transfer & Recycling

customerservice2941@wcnx.org

CountyTransferandRecycling.com

1. TAPE all battery ends with clear packaging tape.

2. BAG batteries in a Zip Lock Bag.

3. CALL CTR for pickup (541) 997-8233

when you have a Zip Lock Bag full of accepted batteries.

DO NOT include Alkaline batteries (these go in the garbage) | Car or lead-acid batteries of any kind | Damaged batteries | Batteries weighing more than 11 lbs or over 300 watt-hours.

For batteries County Transfer & Recycling does not accept, use the Waste Wise Lane County app at lanecountyor.gov/recycle to find the nearest battery drop-off location.
