ORGANIC MATERIALS - YARD WASTE

RESIDENTIAL YARD WASTE

Residential yard waste is yard waste you bring in from your own home.

COST: \$115.00 per ton for loads that are a ton or more in weight, loads less than a ton are free. A ton is 2000 lbs. Yard waste is weighed before and after unloading. Loads must be kept to 7.5 cu. yds or 2000 lbs or less per trip.

***All loads must be completely unloaded in one trip before exiting the site.**

***Commercial food waste is NOT accepted at this location.**

NO LANDCLEARING MATERIAL ALLOWED.

Yardwaste means those materials such as grass clipping, tree pruning, branches, shrubs, and leaves. Branches must be less than 6" in diameter and 10' in length. **All material must be hand unloaded.**

OUT OF COUNTY YARD WASTE

In accordance with the agreement between LRI & Pierce County, out of county yard waste will be charged \$115 per ton with a minimum charge of \$40.50 for up to 700 pounds.

MATERIALS NOT ALLOWED IN YARD WASTE

- Rocks, Pebbles, Sand or Dirt
- Plastic or Trash
- Bricks, Glass or Metal

E-WASTE – ELECTRONICS RECYCLING PROGRAM

What is E-Waste? E-Waste is just about anything electricity runs through. E-waste is a popular, informal name for electronic products nearing the end of their “useful life”. Computers, televisions, VCRs and more listed below are common electronic products. Many of these products can be reused, refurbished, or recycled. Unfortunately, electronic discards are one of the fastest growing segments of our nation’s waste stream. Many components or electronic equipment – including metals, plastic, and glass – can be reused or recycled, while others may present environmental hazards if not managed correctly. It is our goal at LRI to manage this ever-increasing waste efficiently and effectively.

Classifications of E-Waste:

Items below are accepted at no charge. Limit 10 items per visit.

Televisions
Computer Towers
Monitors (CRT's)

All Other Electronics can be Accepted as Free Metal Recycling

Examples of Acceptable Electronics:

Cable Boxes Digital Cameras Stereos Fans DVD Players VCRs	Modems Fax Machines Printers Cell Phones Telephones Machinery	Transformers Mainframes Servers Military Scrap (No munitions or ordinance)	Electrical Components Communication Equipment Electrical Systems Circuit Boards Sealed Units (Must be drained)
--	--	--	---

USED MOTOR OIL RECYCLING PROGRAM (Not accepted at this location)

- Use a **clean** container for draining oil from your vehicle, boat, or lawn mower. **HINT:** Use a reusable container (5 gallon maximum) with a good lid.
- Puncture and drain oil filters for 24 hours before throwing them in the garbage.
- Oil containers must be recycled, reused, or disposed of properly. Garbage rates will apply to the disposal of oil containers.
- Oil must be in a transferable container.
- Disposal limit is five (5) gallons per trip.
- **Never** mix oil with any other substance. Solvents, gas, brake fluid, antifreeze are accepted @ Hidden Valley on Tuesdays and Thursday 8am-12pm and 1pm-5pm.
- LRI will accept used motor oil at the following locations, free of charge:

Purdy Transfer Center • 14515 54th Avenue NW • Gig Harbor

Hidden Valley Transfer Station • 17925 Meridian Street East • Puyallup

RECYCLING

Recycling provides a good feedstock of materials to mills for making new products. For this reason, all recyclables must be clean and sorted as outlined below. Contaminated or unsorted materials will be thrown away instead of recycled, so it is up to you to make sure that what you put in the recycling boxes is ready to be recycled. **PLEASE, PLASTIC BAGS ARE NOT ACCEPTED.**

<p style="text-align: center;">Cardboard</p> <p>Corrugated cardboard and brown paper bags only. Please no waxed or plastic-coated cardboard, packing paper, Styrofoam, plastics, or other non-cardboard items. Please save space for others by flattening all boxes.</p>	<p style="text-align: center;">Newspaper</p> <p>Anything that comes with your newspaper is okay, including fliers. Please, no junk mail, office, or school papers. Please remove all paper sacks, plastic bags and twine before dumping.</p>	<p style="text-align: center;">Metal</p> <p>We accept scrap metal that contains no hazardous materials. It must be able to be hand loaded into our container for transport. Examples are bikes, sinks, tubs, mowers, washers& dryers.</p>	<p style="text-align: center;">Mixed Paper</p> <p>Junk mail, office and school papers, magazines, phone books, and glossy paper. Please no plastic or carbon paper, plastic ties, or plastic-coated containers.</p>	<p style="text-align: center;">Glass Bottles and Jars</p> <p>Glass bottles and jars only. Please rinse and remove lids and place separately by color into bins. Paper labels are okay. The following items are contaminants which can ruin an entire load of glass: window glass, ceramics of any kind, Pyrex or oven proof glass, mirrors, light bulbs, paper or plastic bags, dishes, drinking glasses and vases. Please throw such items away.</p>
<p style="text-align: center;">Aluminum Cans</p> <p>Please rinse and flatten. No bags, foil, hangers, or pie tins please.</p>	<p style="text-align: center;">Tin Cans</p> <p>Please rinse out all food waste and flatten. Please no gas or paint cans.</p>	<p style="text-align: center;">Plastic Recycling – by Shape</p> <p>We accept plastic bottles. That means containers that have a base that is larger than the neck/opening of the container. Plastic jars, buckets, and tubs. Plastic items not excepted: lids, bags and wraps, crinkly and light weight plastic.</p>
